Jan Kolařík

A4M35OSP

Assignment details

- Add an option to disable the Website field
- Update Czech localization files
- Update project documentation

Website field modifications

Maximum [quote] depth	<input type="text" value="3"/>	The maximum times a [quote] tag can go inside other [quote] tags, any tags deeper than this will be discarded.
Features		
Quick post	<input checked="" type="radio"/> Yes <input type="radio"/> No	When enabled, FluxBB will add a quick post form at the bottom of topics. This way users can post directly from the topic view.
Disable Website field	<input checked="" type="radio"/> Yes <input type="radio"/> No	Disable the Website field in user profiles to prevent unallowed advertising.
Censor words	<input type="radio"/> Yes <input checked="" type="radio"/> No	Enable this to censor specific words in the board. See Censoring for more info.
Signatures	<input checked="" type="radio"/> Yes <input type="radio"/> No	Allow users to attach a signature to their posts.
User has posted earlier	<input type="radio"/> Yes <input checked="" type="radio"/> No	This feature displays a dot in front of topics in viewforum.php in case the currently logged in user has posted in that topic earlier. Disable if you are experiencing high server load.
Topic views	<input checked="" type="radio"/> Yes <input type="radio"/> No
