How to access

[edit]

To edit an existing user note, navigate to the User Notes tab of the User Manager (Users → User Manager → User Notes). Then

1. click on the user name or
2. click on the check box for the user note and click on the Edit button.

To create a new user note,

1. select Users → User Notes → Add User Note from the menu or
2. click on the New button in the User Manager: User Notes screen.

Description

[edit]

User notes are pieces of information which can be assigned to registered users on your Joomla! site. These notes can contain for example comments about 'offending' or 'difficult' users etc. In this screen you can create an user note or edit an user note.
