Summary: Session list dalog - response for feature request 351319

Initial Comment:
Hi, this patch is response of feature request 351319 and it partialy the changes requested there.
File session_default.xml stores paths to sessions which can be quicky loaded by openning this
sessionlist dialog.

Hi, this patch is response of feature request 351319 and it partialy the changes requested there. File session_default.xml stores paths to sessions which can be quicky loaded by openning this sessionlist dialog, so that user doesnt have to browse disk to search for various sessions. I created this patch as part of my student work and it is stored in notepad++ patches as 3520529   Session list dalog - response for feature request 351319, sorry if i submitted it wrong way.
