

# Result of semestral work

Tomáš Turek

## TASK #61514

Clean obsolete tools/ filesystem abstraction

## My work

- removed `#define PATHDELIMITER ";"`
- removed `#define DRIVE_EXISTS(c) (TRUE)`

## Summarizes

- Task was successfully resolved
- Commit was accepted by a member of the project
- Pushed to master

## Experiences

- Code-Review on gerrit
- Quick response from developers
- Finally my work did not make sense :-)
