

A4M35OSP - presentation of results

Martin Egermajer

Czech technical university in Prague, Faculty of electrical engineering

9. 5. 2013

c:geo

- Open-source project
- Geocaching

Fix the bug #708

- Refresh caches + no internet = normal progress
- Geocaches can be refreshed even if there is no internet connection

Changes

- Added method `isNetworkConnected()`
- Calling this method from three different java classes
- About 30 lines of code

Accepted & pulled

- After few iterations accepted
