NetBeans

open source IDE

Petr Smrček   smrcepet@fel.cvut.cz   ČVUT FEL

My contribution

- Latte now integrated into NetBeans
- I plan to add support for:

$$\{=expression\}$$

- now reports errors on valid templates

Results

- communication with developers via Bugzilla
- signing OCL
- posting patch
- posting requested tests
- patch integrated and available in nightly builds!

Thank you for your attention
