

CKEDITOR

Michal Vlček

OSP 2014

ABOUT PROJECT

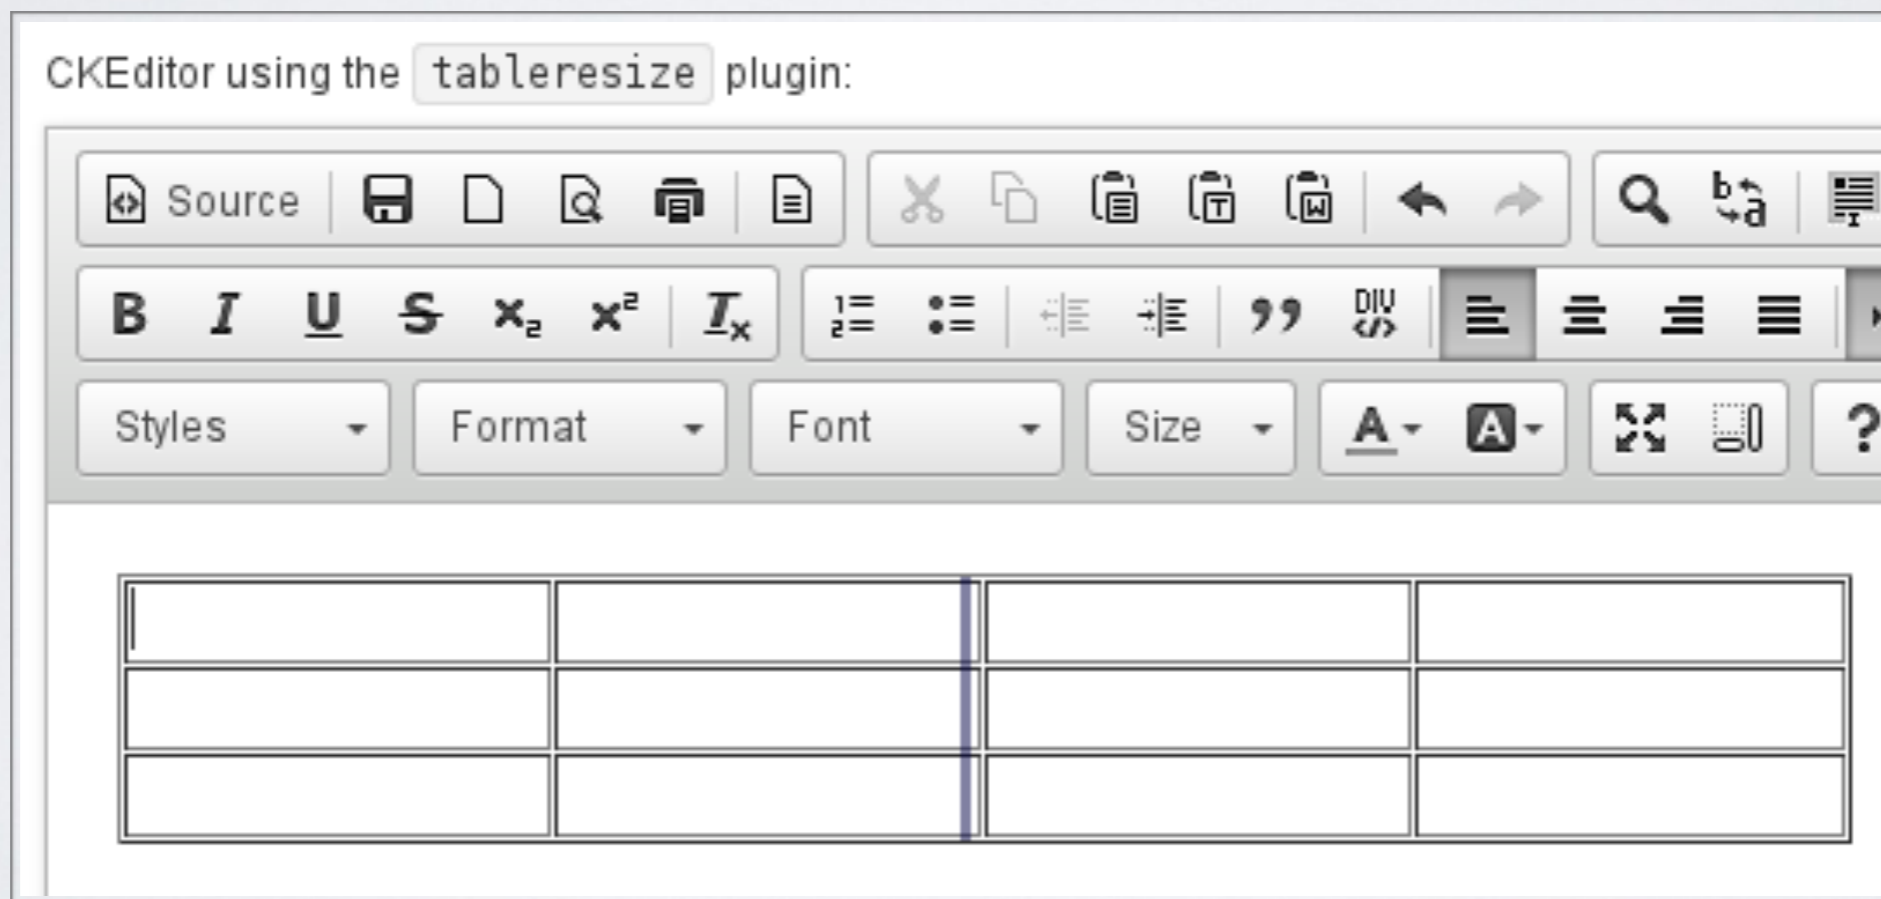

- **WYSIWYG editor**
- **JavaScript core**
- **over 10 years of development**
- **<http://ckeditor.com>**
- **distributed under GPL, LGPL a MPL licence**
- **141 000 lines of code (2014/3)**
- **260 000 registered developers**

DEVELOPERS

- <http://dev.ckeditor.com>
- <https://github.com/ckeditor>
- TRAC - tickets, patches
- commit privileges for a few “core” developers

MY ISSUE

- Ticket no. #11626
 - column resize fix in *tableresize* plugin

RESULT

- Ticket reviewed and accepted in next version (4.4.1)
- <https://github.com/ckeditor/ckeditor-dev/pull/87>
