About the organization

A project and a non-profit organization, composed of volunteers, developing and promoting free, open-source multimedia solutions.

Main projects

- VLC Media Player
- Mobile ports of Media player
- VLMC (media center)
- DVBlasT (streaming app)
- x264 (video convertor)

How do they communicate?

IRC

- The most useful way
- Mostly always is somebody online
- More than happy to help with problems connected to the development

Mailing Lists

- Code review
- Sending patches

Forum

- A lot of questions already answered
- It takes longer to get a reply

Well so what will I do?

Bug #9727

VLC for Android does not save current position in folder mode.
