# Co je to Taiga?

- Open-source desktopová aplikace pro Windows
- Přes napojení na online služby jako <http://myanimelist.net> nebo <http://hummingbird.me> pomáhá organizovat a spravovat seznamy anime seriálů, které uživatel sleduje, chce vidět, či již má zhlédnuto
- Podporuje automatické rozpoznání právě přehrávané epizody ve většině přehrávačích a nejpopulárnějších online streamovacích služeb a aktualizovat seznamy automaticky
- Umožňuje procházení seriálů v současné i předchozích sezónách
- Umožňuje sdílet informace na sociální síť
- Prochází RSS feedy a hledá dostupné epizody
- Více na <http://taiga.moe>
