# About Nette Framework

- Popular tool for PHP web development
- Founded by David Grudl in year 2001

- Light, Fast & Flexible
- Perfect security system (default procession against XSS, CSFR, session hijacking, session fixation, …)
- A lots of features & extensions (Tracy, Neon, Latte, …)
- Great Czech Comunity
- Excelent for web presentations & small projects

# Development

- Founded by David Grudl in year 2001

- Code hosted on GitHub

- 16 project members, thousands of contributors

- Last commit „yesterday"

- Splitted into several packages (repositories) such as Nette, Latte, Neon, Database, Tracy....

# My contribution

- To resolve several issues in repository Nette\Database

- Listed issues I've found in v. 2.2 (year ago), but was too lazy to report them :-D

- #56 - Problem with \DateInterval object on insert/update

- #57 - ActiveRow problem with update of primary key

# My contribution

- To resolve several issues in repository Nette\Database

- Listed issues I've found in v. 2.2 (year ago), but was too lazy to report them :-D

- ~~#56 - Problem with \DateInterval object on insert/update~~ (solved by D. Grudl)

- #57 - ActiveRow problem with update of primary key

- #13 - Primary key with value 0 (zero)

Thank you for your attention!
