Firefox for Andriod

Jan Širl, A4M35OSP

About Firefox

- Non-profit web browser
- Experimental branch of the Netscape Mozilla project (Mosaic + Godzilla)
- Phoenix > Firebird > Firefox
- Version 4 for Android since March 29, 2011 called Fennec

Development details

- for Android 2.2 and above devices with an ARMv6 or ARMv7 CPU
- same Gecko layout engine
- Ticket system - Bugzilla
- SCM - Mercurial
- Startup and mentors for new contributors

What's your favourite programming language?

C

Tell me more

Boring

I was wrong, take me back

So you enjoy finding other programmers' mistakes?

Firefox QA

help us find bugs in Firefox

Tell me more

Not my line of expertise

I was wrong, take me back

My Task

- Fix **Bug 604719**
- No warning when the downloaded file is larger than the space available

- Create that warning, create logic
- Commit

Thanks for attention
