Joomla!

...because open source matters

Róbert Škop

OSP, ČVUT 2013

What is Joomla!

- Open-source
- Content Management System – CMS
- Tool for creating websites or online applications
- From the personal website to complex web applications
- Expandable functionality through modules, plugins and components

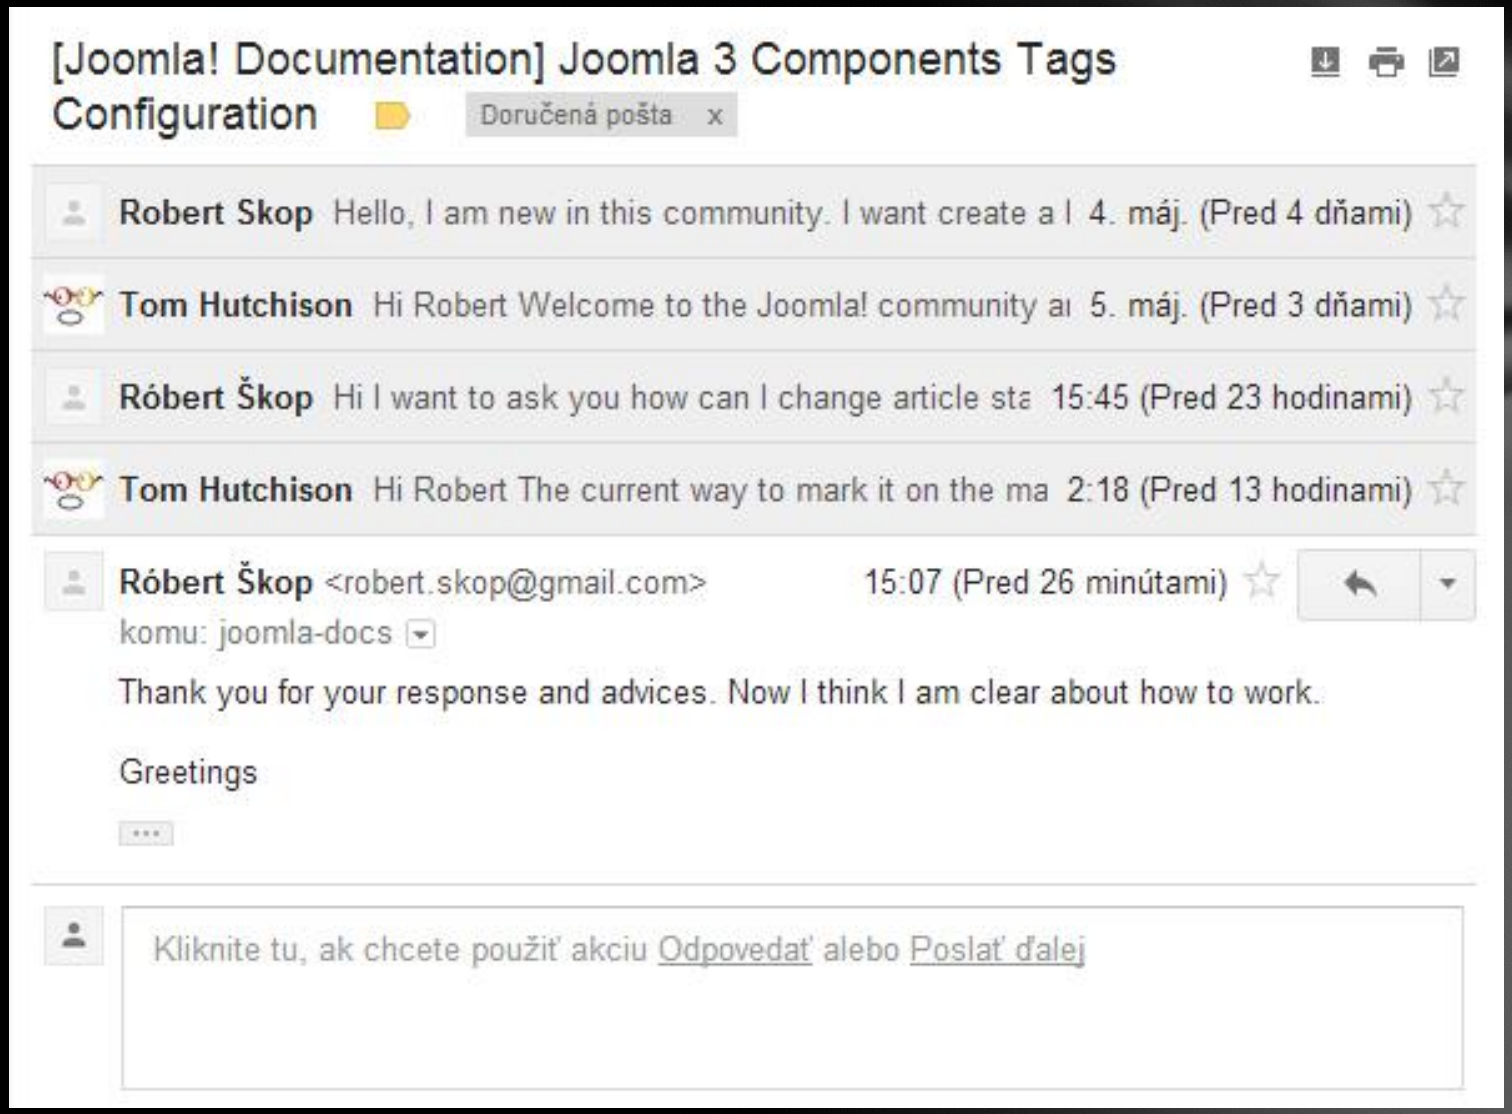
Assignment

- **The main objective is to complete online documentation - "Help-Screen"**
  - help for newbies
  - description of the functionality of individual elements that are displayed on each screen of backend of the CMS

Preparation and study

- Registration on Joomla! Documentation wiki
- Joomla! instalation
- Learning syntax for wiki pages
- Study help screen guidelines
- Study of best practice in creating help screen

Response from a member of the project



[Joomla! Documentation] Joomla 3 Components Tags Configuration

Doručená pošta x

Robert Skop Hello, I am new in this community. I want create a l 4. máj. (Pred 4 dňami)

Tom Hutchison Hi Robert Welcome to the Joomla! community ai 5. máj. (Pred 3 dňami)

Róbert Škop Hi I want to ask you how can I change article sta 15:45 (Pred 23 hodinami)

Tom Hutchison Hi Robert The current way to mark it on the ma 2:18 (Pred 13 hodinami)

Róbert Škop <robert.skop@gmail.com> 15:07 (Pred 26 minútami)

komu: joomla-docs

Thank you for your response and advices. Now I think I am clear about how to work.

Greetings
